Disclosure

We are pleased to inform our valued shareholders that Coppertech Industries Limited has signed an agreement with Mohammadi Electric Wires & Multi Products (MEP) Ltd. for the supply of Copper Wire. Considering the prevailing market price the value of the supply under the agreement will be minimum of Tk. 52 (fifty two) Crore in a year.

We would like to mention to our shareholders that this is the highest ever yearly supply order for the Company that will significantly contribute to the total revenue.

We believe that a positive impact will also be achieved in net profitability and thus we shall be able to ensure the best possible return towards our respected shareholders.

Abbasi Adam Ali
Managing Director
